

One of the Top 100 Spiritual Books of the Twentieth Century. New Bonus Materials added to this edition include: the last chapter that Yogananda wrote covering the years 1946-1951 that was not available in the original edition, the eulogy that Yogananda wrote for Gandhi, a new afterword by Swami Kriyananda, one of Yogananda's closest disciples. This is a new edition, featuring previously unavailable material, of true spiritual classic, *Autobiography of a Yogi* one of the best-selling eastern philosophy titles of all-time, with millions of copies sold, named one of the best and most influential books of the 20th century. This highly prized verbatim reprinting of the original 1946 edition is the ONLY one available free from textual changes made after Yogananda's death. This updated edition contains bonus materials, including a last chapter that Yogananda himself wrote in 1951, five years after the publication of the first edition. It is the only version of this chapter available without posthumous changes. Yogananda was the first yoga master of India whose mission it was to live and teach in the West. His first-hand account of his life experiences includes childhood revelations, stories of his visits to saints and masters in India, and long-secret teachings of Self-realization that he made available to the Western reader.

This revelatory book describes an ancient hermetic pathway, representing a golden thread running through many spiritual traditions, which offers all we need to understand and do to become our enlightened best selves. It contains a map of the stages of spiritual awakening that identifies the emergencies and challenges to be overcome, our personal shadow defects, and gives us the tools for transformation we need to overcome the obstacles to living with spiritual integrity.

This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll learn how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the *Law of Attraction*. (that which is like unto itself is drawn). You've most likely heard the saying "Like attracts like," "Birds of a feather flock together," or "It is done unto you as you believe" (a belief is only a thought you keep thinking); and although the *Law of Attraction* has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by *New York Times* best-selling authors, **Esther** and **Jerry Hicks**.

Learn here about the omnipresent *Laws* that govern this Universe and how to make them work to your advantage. The understanding that you'll achieve by reading this book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life as well as in the lives of those you're interacting with. This book will help you to joyously be, do, or have anything that you desire!

With the clarity of a physicist and the compassion of a gifted healer with fifteen years of professional experience observing 5,000 clients and students, Barbara Ann Brennan presents the first in-depth study of the human energy field for people who seek happiness, health and their full potential.

Our physical bodies exist within a larger "body," a human energy field or aura, which is the vehicle through which we create our experience of reality, including health and illness. It is through this energy field that we have the power to heal ourselves.

This energy body -- only recently verified by scientists, but long known to healers and mystics -- is the starting point of all illness. Here, our most powerful and profound human interactions take place, the precursor and healer of all physiological and emotional disturbances.

Hands of Light is your guide to a new wholeness. It offers:

- A new paradigm for the human, in health, relationship, and disease
- An understanding of how the human energy field looks, functions, is disturbed, healed, and interacts with friends and lovers.
- Training in the ability to see and interpret auras
- Medically verified case studies of healing people from all walks of life with a variety of illnesses.
- Guidelines for healing the self and others.
- The author's personal and intriguing life adventure which gives us a model for growth, courage and possibilities for expanded consciousness
